

**YOUR INCOME IS THE FOUNDATION.
IT SUPPORTS EVERYTHING ELSE.**

Income is the foundation of a solid financial plan. Without your income, how would you afford all the things you hope to provide for your family?

**HOW LONG COULD YOU SURVIVE
WITHOUT YOUR PAYCHECK?**

“If you can’t work your whole world can fall apart quickly. Most people are only about 90 days away from bankruptcy. Studies have found that medical problems play a role in more than 60% of bankruptcies and half of all foreclosures.”

–Matt Tasse, past chairman,
LIFE Foundation. Leading Causes of Disability
